FROM THE PRO

The spring is finally here! Winter wasn't too harsh but it was long! I believe we will be rewarded with a beautiful spring, summer and fall! Before we begin highlighting our upcoming events, I'd like to recognize all of those who participated in our winter simulator leagues. We had record numbers this year for Leagues and rentals. The word of mouth on how awesome these are have spread like wildfire!

Our Men's Simulator League had 8 teams qualify for the playoffs. In the Semifinals the team of Brant Gressel/Doug Cupp defeated Adam Vencill/Sean Culler and Justin Slone/Zach Ralston defeated Dave Pojman/Adam Smith. The Championship match went to Justin Slone & Zach Ralston, who will now have their names etched in history on the Sim League plaques as well as have bragging rights for the year! Congratulations guys!!

Our event schedule will be kicking off very soon, led by our Masters Par 3 Event, held on April 10th. The opening day for our Senior Men's League is April 17th. The Ladies 18-Hole League Opening Day will be on April 23rd. The Sugar Valley GC Opening Day event will be taking place on Saturday, April 20th with a 10:00 shotgun. This event is open to all members, men and ladies, with a fun two-person better ball format. You may choose your own partner and sign-up for all events is available on GolfGenius, through our website. If you do not have a partner, please let us know in the Shop and we will do our best to find you one! (This year Entry fees may be again paid online when registering or by cash or check in the Golf Shop). This event will be followed by our Demo Day with Ping and Callaway on Wednesday, April 24th from 1:00 to 5:00. SVGA days will also begin on the 21st. The Ladies Tuesday evening nine-hole league meeting will be held on April 30th. Signup deadlines for the T&A Match Play and the Ladies Match Play is on Saturday, April 27th. The Men's Wednesday League will be kicking off on May 1st. A Demo Day with Titleist is also on May 1st, from 1:00-5:00. May 2nd will be our Spring Member Appreciation/Free Guest Day!

Your entire 2024 golf calendar can be found on the website, and the Tri-Fold calendars are now available for pick-up in the Pro Shop and the Reception desk.

If there is any club repair you may need done to your clubs, such as new grips, please stop in and see us. This is the time to get your set in order for the season! Also, we have a wide variety of clubs from Ping, Callaway and Titleist that were last year's latest and greatest that are now marked down, as new models have come in this spring. Grab them while supplies last!

The driving range will be open beginning April 6th, weather permitting. Hours for the driving range in April are a half hour before the first tee time of the day until 7:00pm. We will close at 5:30 on Sundays and re-open at 11:30 on Mondays for maintenance. The Golf Shop is closed on Mondays through April 15th and then will open from 11:30 to 6 on Mondays. The Shop will always open a half hour before the first tee time and close at 5:30 the first half of the month and then 6:00 the second half.

We look forward to seeing you many times in April,

Doug Wade, PGA

**Men's Simulator League Champions
Justin Slone & Zach Ralston**

BUNKER TO BUNKER

What a start to the 2024 golf season. One day all bundled up, the next day in t-shirts, then back to the hoodies. It has been another unpredictable year so far with the weather. As much as I want to complain because I hate the up and down thing with the weather, I am constantly reminded by my family up in Michigan it could be worse as they just received 4" of snow...keep it up there!

We have been very busy. The greens, tees, and fairways have been mowed a couple times and we are starting to mow the roughs in places. We still have a lot of cleanup of debris on the golf course as we get this place cleaned up and then we get hit with high winds and knock a few more limbs, sticks, and gumballs out of the trees.

Tile work on #13 is coming along nicely. Some areas have been sodded and other areas have been seeded. We will also be going around the golf course and seeding some other thin areas and going along cart paths adding dirt and seed or sod. While you are out on the course, please be careful of these areas and stay off of these areas and give them a chance to grow.

TAR Asphalt is back out removing old path on #4 and around the back of the tees on #17. They have also changed the pitch of the path behind the lower tees on #17 so it does not feel like your cart is going to roll over when you go around the curve. Please be careful and cautious of these areas as they will continue removing path and adding new base until they can get out to begin laying asphalt when the local asphalt plants reopen this spring.

A large part of my staff from last year has already returned or informed me they are coming back again this year. I have a great staff and look forward to seeing you all out there soon!

Paul L Double

FROM THE GRILL

FROM THE CLUBHOUSE GRILLE

Well Folks, we are sneaking up on Golf Season here soon!

All of us here in the Clubhouse can't wait for the weather to clear up and everyone can get into the swing of things (wink, wink).

We are looking forward to a lot of Great Events this month, starting off with the Masters Par 3 Challenge!

Opening Day will be April 20th so be sure to sign up for that event!

Make sure to come and watch the Masters April 11th- 14th here at the club as we will have some specials for you while you watch.

Also make sure to build your appetite up as we will be having our PRIME RIB NIGHT April 26th as well as SEAFOOD NIGHT on April 12th.

-Chef Chris Plummer

MEMBERSHIP INFO

We announced in the March newsletter that we were offering a Spring incentive to attract new members to Sugar Valley Golf Club. We are currently offering new golf members the opportunity to join Sugar Valley for a 50% savings on their initiation fee. This will save any new member \$1,000 at the time they sign up. While we were able to attract nine new golf members in March, there is still a need for more new members and we still have ample room for growth to our current membership. Therefore, we will continue to offer the reduced initiation fees until May 1, 2024.

Effective April 1, 2024, we will be expanding this promotion by offering any current member who refers a prospective member to Sugar Valley a little surprise gift. Should the member join, you will receive an enhanced surprise gift. Please encourage any golfers you may know or meet to take advantage of this opportunity to join one of the finest golf courses in southwest Ohio. Simply give them Wes Vanover's name and have them give Wes a call @ 937-372-9400. If you would prefer, provide Wes their name and number and Wes will reach out to them.

This is the time of year that most golfers are making their plans for this year's golfing experience. We would love to have them look to Sugar Valley and consider joining our club.

In addition to golf members, we would love to increase our Social Memberships. Therefore, should you refer us a Social member, we will apply a \$50.00 credit to your account for food and beverage. We may even have a surprise for the new Social member. All it takes is a phone call to Wes Vanover who will work to sign up your referral.

Again, thank you for your continuing support and we look forward to seeing you out here for another year of great golf.

Wes Vanover, Membership Director

Member Reminder

Food & Beverage Minimums are now Quarterly. Members have until June 31 to spend their \$150 minimum.

Please log in and update your Member Profile.

We will be implementing a text messaging program and need up to date phone numbers.

Thank you
