Club Update

On September 6th we announced at a membership meeting we had entered a letter of intent to sell Sugar Valley Golf Club to Dalton and Melissa Dodd, the owners of Jasper Hills Golf Course in New Jasper Twp, Greene County Ohio. Mr. and Mrs. Dodd spoke to the membership, stating it was their desire to maintain a private golf course and to continue the growth of Sugar Valley.

We are pleased to announce that the sale has been completed and the Dodds' have taken ownership.

We would like to take this opportunity to thank our many members, for their years of patronage and the growth Sugar Valley has experienced over this time. We are confident that the club will continue this trend and are excited about future plans.

Thank You and Best Wishes,

SVGC Partners

Meet the Dodd Family

First off, we have been beyond excited as we have been moving through the process of acquiring Sugar Valley Golf Club. We had the privilege of meeting many of you at the member meeting a few weeks back but wanted to make sure everyone got the opportunity to learn a bit about us. We are the Dodd family - Dalton, Melissa and Stella and we live in Xenia in the Jasper Hills Golf Club neighborhood. We are majority owners of Jasper Hills Golf Club and sole owners of Jasper Kitchen + Bar since both opened in 2022. Over the course of the last few months we started thinking about Sugar Valley as a possible next step and have since fallen in love with the Club and all we have met over the last several weeks. We took the next step and started the formal process back in August to acquire the Club and continue to be more enthusiastic about it all. First off, we plan to keep the club private. No changes will be made to the structure of the club. The membership is incredibly strong and we absolutely want to preserve that and continue to enhance the value you experience. Now that is out of the way, we have three major goals which we will focus on after acquisition. 1 - providing a top notch course, 2 - stabilizing the restaurant and providing a consistent, excellent product and menu you can expect and demand on a daily basis, and 3 - making Sugar Valley Golf Club a destination for the community. Dalton's experience is in agronomy and golf course maintenance and Melissa's in the food and beverage (restaurant and bar) side. Together, we plan to divide and conquer and bring our experience to elevate Sugar Valley into a top notch course while providing an excellent dining and entertainment experience. We also look to enhance the events held while concurrently providing premium restaurant service and entertainment experiences to members. We believe we have the energy, ideas and ability to take Sugar Valley Golf Club to the next level. There is an incredible team backing the Club and we are looking forward to working with those you know and love and are the face of the club to make it something truly special and unique to other clubs in the area. We plan to attend the Improvement Fund party on October 5th and hope to meet even more of you all there. Cheers to the future!

FROM THE PRO

What a beautiful October we had! Hopefully November can match that and we can continue a late golf season!! We were able to host some great events in October as well. Our final Couples event took place on October 26th. This is our annual Halloween dress up, and you all did not disappoint! The costumes were fantastic! Jim & Ericka McCormick and Eric & Kristi Evans won the golfing portion, Alan & Sue Eakle and Tim & Charlotte O'Meara won best dressed, and Jim McCormick won the Chili cook-off!! Thank you to all those that participated!

Wes Bakos & Adam Weyrauch were victorious in the season long T&A, defeating Justin Slone & Zach Ralston in the finals.

Casie Hollis and Charlotte O'Meara won the Ladies season long match play for the second year in a row, defeating Deb Shartle & Cindy Wilson in 19 holes!!

Our Fall Classic event was held on the 5th, and this year's winners were Brent Wilson & Alex Fryman

In our 4th Annual J&J Classic, which is a 3-man scramble event, Corey Boltz, Kevin Carter & Brandon Knutson shot -12 to win by 2! Congratulations gents!!

In our Fall Par 3 Scramble Kyle Rogers & Dan Wilson took home a 2-shot victory over runners-up Tim Phillips & Alan Eakle.

Lastly, we would like to recognize our Sugar Valley Ladies that took home both the Gross and Net Divisions this year in the Ladies InterClub. There are some fantastic lady players in the area and for our Club to win both of those Divisions is pretty awesome! Team members include Patty Baird, Penny Bitzer, Kasey Caudill, Britt Platt, Deb Shartle, Jenness Sigman & Peg Wynkoop. Congratulations ladies!!

With the time change fast approaching, the Golf Shop hours will be changing on November 1st. The Shop will be open from 9:00 to 5:30, (open at 11:00 on Mondays). The range will close daily at 5:00 and 4:00 on Sundays for maintenance.

Finally, with the Club changing ownership this month, we will be switching software. Our new tee sheet company will be called Eagle Club Golf and you will be able to access the tee sheet through an App! Please be on the lookout for further instruction. All of our tournament registration for 2025 will still be through GolfGenius, so a seamless transition there. These are some exciting times, we're excited to introduce it soon!

We hope to see you many times in November,

Doug Wade, PGA
